

## **CANCELLATION NOTICE**

### **LF 309, Fully Reimbursable Interagency Agreement (IA)**

**Cancelled effective 8-20-07**

LF 309, Fully Reimbursable Interagency Agreement (IA) (Rev. Sept. 2006), was the tool used to simplified the Fully Reimbursable Interagency Agreement process steps when entering into agreement with Federal Agencies where no LaRC costs are waived. This process will be replaced with the Agency-wide web-based system, <https://saam.nasa.gov>, that will go into effect for Langley on August 20, 2007. With the implementation of this system, LF 309 became obsolete and is officially cancelled.
